US MARKET ACCESS CENTER

A grayscale map of Europe and surrounding regions, including parts of North Africa and the Middle East. The map is overlaid with numerous circular signal strength indicators, each consisting of concentric rings and a central number. The numbers vary significantly, with some reaching 323 and others as low as 5. Two black location pins with the letter 'S' are placed on the map, one in the Baltic region and another in Eastern Europe. The text 'Kerekítési hiba vagy lábjegyzet?' is superimposed in large, bold, yellow font across the center of the map.

Kerekítési hiba
vagy
lábjegyzet?
