CraftWare (GCODE nézet)

The screenshot displays the CraftWare 1.14 beta software interface. The main window title is "CraftWare 1.14 beta #32757 GCode:[Unsaved GCode: Untitled.gcode]*". The interface features a top toolbar with icons for Legend, GCode, Type, ToolHead, Extrusion, FeedRate, Travel, Animate, High quality, Section view, and Stats. A central 3D view shows a printed part with a white base, orange outer walls, and a green internal structure. A statistics panel on the right provides the following data:

| Statistics | |
|------------|----------|
| Time | 0:03:21 |
| Finish | 20:49 pm |
| Length | 0.1 m |
| Travel | 29.2% |
| * PLA | 2.49 |
| * ABS | 2.11 |

Additional toolbars include Support, Objects, Camera, and a vertical sidebar with Slice..., Clear, Load, Save, Print, and Options. At the bottom, a control panel shows "Unsaved GCode: Untitled.gcode", "Visible layers" (checkbox), "Layer" (19), and "Line" (3455).
