

Girl and geese chart (left)

**tip**  
 Use a Post-it note to help you keep your place on the chart. It is easy to peel on and peel off again and it won't mark your symbols

**Denice:** I've always found Joan Elliott's designs so cheerful, sweet and fun to stitch. That's why she's one of my favourite designers. I'd love to stitch this picture for my daughters – it will look absolutely lovely in both of their bedrooms.
